Review of: Abu Dhabi Private Fishing Trip

We had a great experience, good catch (more than 6 fishes) and very helpful crew. Jesus and colleague made our trip memorable. My wife and I did not feel well (seasick) so we asked Jesus and colleague to go back earlier than expected. They proposed and took us to a fantastic island, where we could spend more than an hour at the beach. Big thanks for being so flexible and caring.

Review of 4-Hour Dolphin Island and Crystal Bay Private Island Hopping

Thank you so much to Sea Safari for a fantastic morning spent island hopping. The 4-hour Island hopping tour is an absolute must for all visitors to Abu Dhabi, from the lovely Alina helping us with our reservation to the fantastic Captain Jesus and his crew mate Ajeesh who were so mindful of my elderly parents throughout the trip, it was a truly amazing experience. Highly recommended 🙌.

Fantastic sunset cruise

Review of 2 Hours Sunset Cruise

We took this cruise with my son and girlfriend who were visiting us. It was amazing, we had the boat to ourselves (4 of us) and that made it even better. Jesus and Ajeesh looked after us well. We will return In December when my daughter visits to try the 4-hour island hopping.
